

## It's Not Too Late!

**Don't forget to sign your child up for camp before it is too late!**

Let Hammond School broaden your child's horizon this summer. Hammond offers more than 30 camps designed for students in rising Pre-K through rising 12th grade. Programs range from sports, drama, and arts camps to more unusual offerings, such as computer robotics and sewing. So, whether it's exploring the great outdoors, getting a jump-start on the upcoming academic year, or learning a new and exciting skill, Hammond School has a program to suit your child's interest.
