

HAMMOND

Birthday Book Club Happy Birthday

We want to invite your child to join the celebration. In the month of his/her birthday, we will have a party. Our parties are held the first Tuesday of every month. Except for September which will be held on the 11th. Your child will celebrate with music, snacks and books. They will choose a book and decorate the name plate. This book will be presented to them at Friday in the Kiva (the Friday that is the closest to their birthday), and they will be the first one to check it out. When they return the book, it will be added to our collection.

Summer birthdays are celebrated as follows: June in December, July in January, August 1-19 in February and August 20-31 in September.

Reservations are required. To reserve your spot, make a check payable to Hammond School for \$20. Please write the child's name and BBC on the for line.

Happy Reading!
